Summary

Aspiring Python Developer with a strong foundation in programming, skilled in developing dynamic web applications using Python and Django. Proficient in building REST APIs, managing databases with MySQL, and creating user-friendly interfaces with HTML and CSS. Experienced in delivering impactful solutions through academic projects and an internship at CGPI SOFTWARE PRIVATE LIMITED.

Experience

CGPI SOFTWARE PRIVATE LIMITED
Pune

Python Django Intern
04/2024 - Present

- Collaborated with the development team to design and develop web applications using Django.
- Worked on integrating REST APIs for seamless backend operations.
- Improved website performance by optimizing database queries and Django ORM.

Skills

Python · HTML · CSS

Django · REST API Development · ORM · Django ORM

Database-SQLite

Projects

Grocery Management System

- Built a Python-Django application to manage grocery inventory efficiently.
- Enabled adding, updating, and deleting grocery items for streamlined inventory control.
- Utilized MySQL for storing and retrieving inventory data.
- Integrated user authentication to ensure secure access.

Stationary Management System

- Designed a Python-Django application to automate inventory tracking and ordering processes.
- Integrated a MySQL database to ensure real-time inventory updates and reports.
- Streamlined organizational workflows, reducing manual errors by 30%.

Blog Website

- Developed a blog platform using Django, enabling CRUD operations for posts and secure user authentication.
- Implemented user-friendly UI using HTML, CSS, and Bootstrap.
- Managed database interactions with Django ORM and MySQL.

Certification

Python/Django with Data Science – Cyber Success, 2023

Education

Savitribai Phule Pune University
Msc Computer Science
07/2023 - Present

Punyashlok Ahilyadevi Holkar Solapur University
Bsc Computer Science
07/2019 - 03/2022
